TEACHING METHODS AND ASSIGNMENTS FOR ACHIEVING LEARNING OUTCOMES:

Students are responsible for all readings and other material assigned without regard to whether the material is covered in class.

Students should read some daily source of business news. News articles give students a real world framework for understanding legal concepts and their application.

NOT LEGAL ADVICE. The information covered in the website (listed above), in its links, in MGT 330/475 class, in the textbook, or during office hours does not constitute legal advice or the giving of a legal opinion. Nothing provided herein should be used as a substitute for the advice of your own legal counsel.

ATTENDANCE POLICY:

Attendance is required, and will be taken daily. Many exam questions will be pulled from class notes, from the book, and from assigned websites. **A maximum of 5 unexcused absences during the semester is allowed.** An absence can be excused **ONLY** in the following situations: If the student emails me prior to the class and then can produce one of the following for my file (1) a valid Doctor's note saying the student was too sick to come to class on the scheduled missed class day with class date included, or (2) an immediate family member has just died or is in a serious medical condition in the hospital and the student's presence at the hospital or funeral is needed by the family (written proof including missed class dates is required).

*Please note: absence that is work-related, due to car problems, or over-sleeping an alarm are not excused.

***For each absence beyond the allowed five, ten (10) points will be subtracted from your end-of-semester final grade. Signing in for another student on the attendance sheet is an Academic Integrity Violation.**

MANDATORY attendance is required on the day(s) your section briefs the cases AND does their group presentation. Failure to be on time and actively participating as a group member will result in the student earning a O on their group presentation grade (20 points).

Inclement Weather Policy:

If we experience severe weather, then I will follow the university's decision as to holding class. If UNCG is open, but due to inclement weather the Guilford County Schools are delayed or cancelled due to the weather (**and it is not an exam day**) we will have class, but I will not take attendance. **If UNCG is open, and it is on exam day attendance on-time is required.**

UNCG Disability Services (OARS) :

Accommodations: UNCG seeks to comply fully with the Americans with Disabilities Act (ADA). Students requesting accommodations based on a disability must be registered with (OARS) the Office of Accessibility, Resources and Services (formally called the Office of Disability Services) in 215 Elliott University Center, 334-5440

<http://ods.uncg.edu/student-services/register/>

UNCG athletes:

UNCG athletes: to make sure your UNCG athletic events are excused you must circle your name on the UNCG athletic notice form. Please circle the dates which will result in your missing a regular MWF MGT 475 class period. Please write MGT 475 in the top right- hand corner of the page, and turn in to the teacher during the first week of the semester, so those dates can be excused. If your UNCG athletic event will interfere with an exam/exam review, you must make arrangements with the teacher to schedule a time IN ADVANCE of your regularly scheduled exam/ exam review date. You are NOT allowed to take the exam/exam review. AFTER your regularly scheduled date If your athletic schedule changes, you will have the responsibility of providing the teacher with any additional dates in writing from the Athletic Department.

Class Participation:

Students are responsible for all material covered, and for announcements made, in class whether or not they are in attendance. Power Point chapter outlines and the homework required for each chapter is available online on your MGT 475 Canvas “modules” link. Please complete the required assignment and print the Power point outlines (as a “handout” with 3 slides per page) for each chapter prior to each class.

You will be called upon for recitation on a random basis. ALL students must have briefed ALL assigned cases for EVERY class. The extent of your preparation and participation will be reflected in your grade. **Students are required to constructively participate and/or brief cases ten (10) times or more during the semester. Failing to be prepared for class will result in a student getting a minus on their seating chart which result in the student being required to talk twenty (20)/ per each time unprepared during the semester to make up for coming to class having not done the required reading.**

Disrupting class by leaving early (without a pre-approved excuse), arriving late, and/or failing to act in a courteous way to others will negate any and possibly all accumulated constructive class participation marks, and will result in attendance for that class being negated. Classroom doors may be shut after class begins, and will not be opened for latecomers. Continued disruption by a student with two prior verbal warnings will result in a student losing up to 30 class participation points. Leaving early (unless with prior approval of the teacher for emergency reasons) will result in the student not getting credit for attending the class, and is an academic integrity violation (falsifying attendance).

There will be no makeup for missed exams. Failing to show up to take an exam with your class will result in a grade of 0. Failure to show up on time at the start of the hour on exam day will result in your being shut out of class and a grade of 0. Once an exam begins a student is not allowed to leave the classroom until the exam is completed and all exam material and scratch paper are turned in as instructed. No notes, no talking, and gum is allowed during exams or during class since it is a

disruption to others. NO cell phone, Ipad, Apple watch, or recording devices, texting, or electronics of ANY kind are allowed out or on during exams or during exam reviews.

Exceptions for being allowed to take a later exam: If the student emails me prior to the exam and then can produce a hard copy of one of the following for my file
(1) a valid Doctor's note saying the student was too sick to come to the exam on the scheduled day (**must include/ cover the exam date missed**), or
(2) an immediate family member has just died or is in a serious medical condition in the hospital and the student's presence at the hospital or funeral is needed by the family (**written proof with class dates will be required**).

Do **not** leave your MGT 475 book or notes unattended at any time.

There will be no makeup for the Exam 1(part 2) or Exam 2 (part 2) review (each is given only once during the semester). Attendance and successful are required for credit to be given for the exercise.

ACADEMIC INTEGRITY POLICY ("AI"):

Academic Integrity applies to ALL aspects of MGT 475. Each extra credit/ exam/essay/ paper MUST have the following statement:

Printed Name: _____ 475 Alphabetical # _____
"I have abided by the UNCG Academic Integrity Policy."
Signature: _____ OR

A student can just put "AI" (for Academic Integrity) by their name

ALL Academic Integrity Violations WILL be prosecuted!!! See UNCG Academic Integrity Code and Procedures at: <https://osrr.uncg.edu/academic-integrity/>

Please be aware that the following also constitute Integrity Violations in MGT 475 and will result in a total grade of 0 on the exam/classwork/ attendance/ or extra credit:

You may not be in possession of any unauthorized exam related material. All exam materials MUST be returned prior to leaving the class (including scrap paper).

No leaving class during an exam.

NO computers, cell phones, Ipad, Apple watch, text messaging, recording, telephonic or electronic devices of ANY kind may be on, out, or used during an exam or an exam review.

No taping/ recording of any class lecture without the written Office of Accessibility, Resources, and Services (formally known as the Office of Disability Services) reasonable accommodation form (during regular class only).

Posting/ selling/ or using stolen (or unauthorized) MGT 475 materials (including exams) is an academic integrity violation/ will be prosecuted and will result in a TOTAL grade of 0 on the exam.

Walking into class to sign the attendance sheet and failing to attend the entire class is a falsification of your attendance and an academic integrity violation

Falsifying extra credit is an academic integrity violation.

No notes of any kind may be used or out during any exam.

No talking to other students during an exam.

No leaving the classroom during an exam, once started, until the exam is completed and all is turned in as required.

No discussing the exam to others until all students have taken their exam.

No being in possession of an Unauthorized MGT 475 exam

Trying to obtain exam materials prior to or during your class in an unauthorized manner is prohibited.

You may not sign in on the attendance sheet for another student, or falsify any documentation to get an absence excused.

You may not come to a part 2 review of an exam that the student has not yet taken.

You must do all the work yourself (without any aid or assistance of others) for any assignments, extra credit, honors work (except for group presentation).

An Academic Integrity violation during an exam will result in a total grade of 0 on the exam, and failure to turn in ALL required exam materials will result in a grade of 0 for the ENTIRE exam and both will result in prosecution for an Academic Integrity violation.

Taking MGT 475 as an Honors Class:

If you are interested in taking MGT 475 as an “Honors” designated class please review: www.uncg.edu/hss to see if you qualify for Honors and register. Then go to <http://eloisehassell.wp.uncg.edu/> and click “law links” and review Disciplinary Honors information. Please set up an appointment with Prof. Hassell within the first week of class by emailing her at: mmhassel@uncg.edu to discuss doing a contract honors in MGT 475. Please note: if you are majoring in a subject other than one within the Dept. of Management you will need to get your Dept. Honors advisor and Dept. Chair’s written approval for MGT 475 to count as a contract honors course in your major.

Laptop / Cellphone/ Electronics Policy:

Laptops, Ipad, Apple watch, cellphones, and recording device may NOT be out, used, or on during class. The ONLY exception is if the student is registered with UNCG Office of Accessibility, Resources, and Services (formally known as the Office of Disability Services) and provides the required documentation that typed notes is a necessary reasonable accommodation for the student.

For each violation of this policy the student will receive a negative which will require the student to contribute to class discussion an ADDITIONAL ten times/ per violation.

If, for example, there is a family emergency situation please talk to the teacher prior to the start of class, and an announcement can be made that for that one class your cellphone is allowed on (on vibrate only).

Briefing Cases: (Please note the cases are NOT pre-briefed and are MUCH LONGER than they were in MGT 330)

When reading cases in the text you will see the cases you are required to brief in preparation for class. The cases are listed at the top of each chapter's power points. You may find it helpful to brief (outline) them on a separate sheet of paper or in the margins of your book. They will not be picked up in class. The following format seems to work well. Being prepared to brief and discuss the cases in class counts for part of your class participation grade. **ALL STUDENTS MUST BRIEF ASSIGNED CASES EVEN IF YOUR GROUP IS NOT PRESENTING.**

- (1) Facts: A brief statement of the facts of the case.
- (2) Issue: State the issue of law to be resolved.
(Remember that the reason the case is in the text is to illustrate some point of law in the chapter.)
- (3) Holding of the Court (How did the Court rule?)
- (4) Reasoning (Why did the court rule this way?)

EVALUATION AND GRADING:

Each exam will consist of a combination of multiple-choice questions and essay questions. To assist you in your exam preparation, I have placed an exam review study list (for each exam). You will find the exam review on canvas near the bottom of your modules link (under the chapter PowerPoints).

MGT 475

The subject areas covered in this course are extremely difficult. The amount of material to be covered in this course, and the depth of the coverage, probably is not exceeded in any course you have taken, or will take. We will cover the ENTIRE book. THEREFORE, if you wish to do well, you will be required to read, concentrate, review, re-read, analyze, and re-analyze. In order to cover all the material, and cover it well, there is a heavy burden on the student to be well prepared and to raise questions about what you do not understand.

***Do Not take MGT 475 until you have the required time to be successful in the class. Each day's class preparation should take a minimum of 5 hours.**
